"He has finished his work with us," said a spokesman for the Central Intelligence Agency, announcing that U-2 Pilot **Francis Gary Powers**, 33, resigned last month. His new job: testing overhauled U-2s for Lockheed Aircraft. His salary? "Same as any other test pilot," said a Lockheed official. "They make from \$10,000 to \$20,000 a year, depending on experience." Powers, feels Lockheed, has plenty of experience.
